Subject: MAX Games

Please advise status and availability of any MAX games your group has completed or will soon complete.

We are placing MAX games into immediately production and need to know what your group can provide.

Per our recent conversation, please have Mark Scott contact me so that Kit Spencer and I may negotiate a royalty for "Greenhouse" and put this game into production. If necessary, give me Mark's vacation number.

We also need a 4K (32K ROM) game to include free with each MAX. We understand you have a "Concentration" game and possibly some other candidates which might suit this purpose.

Please get back to me as soon as possible.
